The 'No Frills' Catering brought to you by Campus Catering Services. We are aware that organizations on campus today face a challenge in fitting catering within the financial constraints of their budget. For this reason, we would like to present a price-cutting alternative.

'No Frills' Catering eliminates delivery and set-up costs because orders are picked up by your group. Orders must be received no later than 48 hours before your event to guarantee your menu selections.

Our 'No Frills' Catering guide and pricing is available for the use of Howard Organizations only.

'NO FRILLS' CATERING GUIDELINES:

- *No delivery will be made available to you, thus eliminating delivery and set-up charges. If you require delivery and additional services, please use Sodexo's standard Catering Guide.
- *Orders must be picked up at the Punch Out during times of operation.
- *All orders must be paid for either by cash, credit card, money order, cashier check, or department purchase order at least 24 hours before the event.

*The organization planning the event is responsible for making room reservations, and planning the set-up through the appropriate office. Campus Catering does not do room reservations nor set-ups.

*All organizations are responsible for the cleaning of the area in which their event is held.

*Orders not picked up during the specified day/time will be cancelled, and all monies will be forfeited.

*No equipment will be loaned out for use at an event.

*Any cancellation must be made within 24 hours of the event.

PLANNING YOUR EVENT

1. Begin planning your function so that you can make all arrangements for rooms, food, etc., early enough to avoid disappointment.
2. Decide on a budget that you are willing to spend on food. We will be happy to help you decide on a menu that will fit into your available budget.
3. Choose your menu.
4. Give us a call, or fax in your menu to the Campus Catering Office: 202.232.2173.
